

**REMARKS**

The action under *Ex parte Quayle* mailed October 19, 2006, has been received and reviewed. Claims 1 through 72 are currently pending in the application. Claims 40 through 54 are withdrawn from consideration and have been canceled. Claim 55 has also been canceled without prejudice or disclaimer. Claims 1 through 39, and 55 through 72 are allowed.

Applicants note that the claim set in the previous Office Action Response filed July 31, 2006 included symbols which did not print properly. This has been corrected. As discussed with the Examiner on December 13, 2006, the as-filed claims include the correct symbols. The typographical errors were not the result of an amendment, but rather a printing problem. Thus, no amendment is needed to rectify the typographical errors present in the last submission. A clean copy of the claims is provided herewith and Applicants submit the application is now in condition for allowance.

**CONCLUSION**

Claims 1 through 39, and 56 through 72 are believed to be in condition for allowance, and an early notice thereof is respectfully solicited. Should the Examiner determine that additional issues remain which might be resolved by a telephone conference, he is respectfully invited to contact Applicants' undersigned attorney.

Respectfully submitted,
